

Sunday Mass attendance sheets

As you know, our Catholic faith requires us to attend Mass every Sunday and on Holy Days of Obligation.

In order to complete the requirement for Confirmation, your LEVEL II child will need to turn in 20 stamped/signed Church bulletins. Please place the stamped bulletins in the attached manila envelope all to be completed and turned in on assigned date. LEVEL I students must also complete 20 by this time and an additional 4 after June 21 but before September 1.

There will be a table in the church hall where your child can have their bulletin stamped at the end of each the masses, first and last name must be put on bulletin prior to getting them stamped. During the summer months the priests and deacons will sign the bulletins.

If you they are attending Mass at another Catholic Church, please ask their priest to sign a bulletin for them. Each student must complete this and all requirements of the program.
